THE BIG SPLASH
 Posh pools for any space

TRULY MADLY STEEPLY
 A hillside masterpiece

AN INVESTOR LIFTOUT INSIDE

Swim space alert! Owners wanted to have a pool in their new home, but the steep slope was a challenge.

Steep slope—The owners wanted to have a pool in their new home, but the steep slope was a challenge.

Steepest affection

An impossibly steep slope proved the making of this renovation, **MELISSA HARRIS** writes

In a world of well-appointed houses, this one stands out for its dramatic, almost vertical, hillside. The owners wanted to have a pool in their new home, but the steep slope was a challenge. The house was built on a steep slope, and the owners wanted to have a pool in their new home, but the steep slope was a challenge. The house was built on a steep slope, and the owners wanted to have a pool in their new home, but the steep slope was a challenge.
